

DRAWING AMENDMENTS

The attached sheet of drawings includes Figures 1, 3a and 3b. This sheet replaces the original sheet including the same figures. The drive gear G and stub shaft S have been added to Figure 1. The remaining figures remain unchanged.

REMARKS

The Applicants have carefully reviewed and considered the Office Action of 22 July 2005 and wish to express their appreciation for the allowance of claims 1-5 and 7-13. In response to the Office Action the Applicants submit a revised drawing Figure 1 showing the drive gear G and stub shaft S. In addition, the specification is amended on page 6 to refer to the stub shaft and drive gear by the reference letters "S" and "G" respectively.

It is believed this Amendment places the application in condition for formal allowance and, accordingly, the early issuance of a formal Notice of Allowance is earnestly solicited. Should the Examiner have any remaining questions, however, he is respectfully requested to contact the Applicants' attorney at the telephone number of record in order to expedite prosecution.

Respectfully submitted,
